**Coral Gables Museum Hosts “Building a Dream” Book Signing: A Partnership
with Students from Shenandoah Middle School**

The Coral Gables Museum invites the public to a very special book signing and unveiling at the Museum on Thursday, May 20, 2010, at 6:00 p.m. Shenandoah Middle School students were the authors of “Building a Dream,” a beautiful book detailing the development and architectural heritage of the City of Coral Gables. The students, who were participants in the Shenandoah Middle Museum Magnet School Program, completed 15 hand-bound editions of the book last year. The book was so well-received that a group of Coral Gables residents, organizations, and community leaders comprised of Lynn Bauer, Claire-Frances Whitehurst, Robert Fewell, and The Villagers decided to fund further production of the book. “Building a Dream” will be available for sale with proceeds to benefit children's educational programs at the Museum. The book signing and sale will be the first public event to be held in the new Community Room at the Museum, 285 Aragon Avenue, Coral Gables, Florida. The students who participated in the project will be on hand to sign books and discuss their contributions to the project.
